## Guidelines for article submission

Please fill out this form as completely as possible.

Please bear in mind that TREAT-NMD newsletter recipients are located throughout the world. Your article should be of interest to as many people as possible. We may need to edit your article for space requirements or to conform to our newsletter style.

Every effort will be made to include your article at the appropriate time. To enable us to do this, please send your submissions at least a two working days in advance of anticipated publication.

Submission of your article does not guarantee its inclusion in the newsletter. If we do not publish an article this does not constitute a value judgment of the work's quality. It could be that it does not meet to our current needs or requirements.
